### WE GOT THE JOB DONE:

Praise the Lord! Things couldn't have gone any better in Uganda, Africa at the Kabarole Hospital in Fort Portal. The new floor got put in and when we had the dedication the people who worked there wept...it was a miracle of God. Here are some pictures of how the project went. One the two Sundays I was there I preached and gave away Bibles in the Ugandan language to people who did not have God's Word. What a blessing that was. Thank you so much for your prayers and the contributions that made this project possible...and especially...thank you Jesus!

## **MANY SAVED IN KENYA:**

After I finished in Uganda I went to Kisumu, Kenya and did a Church Growth Conference. There were about 30 pastors who attended and several lay people. Then on Sunday we had worship services and several people received Christ. It was a wonderful time together in the Lord and God did a great work.

## **FUTURE TRAVEL PLANS:**

I will be leaving for the Philippines on April 18 and return on May 2. Please pray for the Crusade that we will be having there.
