NEW MINISTRY OPPORTUNITY IN PERU

Recently, D.J. Duncan made a trip to Peru to look into the ministry opportunities that might be available there. Contact was made with a tribe of Indians in the remote jungle near Bagua. The tribe expressed a desire for D.J. to return and teach about Jesus and give an opportunity for them to hear and learn. This is a great opportunity to preach and minister to a group that has very little contact with Christianity or even the outside world. Presently, D.J. is planning to return in SEPTEMBER 2007 to minister to this remote group of people. Please pray for guidance and safety for this upcoming trip.

MULEGE BAJA MEXICO REPORT

Roy and DeDe Lofts continue to serve the Lord in Mulege and God continues to bless. Pastor Roy has recently finished attending a language school to learn Spanish so that he can better minister in the area. The Summer is down time because of the extreme heat in Mulege, however, the ministry will be in full swing again in October. Be sure to remember them in your prayers. Also, D.J. will be in Mulege at the end of November 2007 and then again in March 2008.

UGANDA & KENYA, AFRICA REPORT

D.J. Duncan will be returning to Uganda in January 2008 to do another phase of the work needed in the Kabarole Hospital at Fort Portal. Last January a new floor was installed. (see pictures on the web site) This coming January a new ceiling will be installed inside of the entire hospital complex. After the hospital project D.J. will be going to Kenya to preach a CRUSADE in Kisumu. Our efforts in Africa are always well received so keep us in prayer that there will be many decisions for Christ.

BIBLES...BIBLES...BIBLES

Please keep in mind that everywhere we go we provide BIBLES in the language of the people. There is a great deal of cost involved in this effort so any contribution for BIBLES will be greatly appreciated.
