### VICTORY IN THE PHILIPPINES

I have just returned from the Philippines and have had the privilege of seeing the LORD move in a mighty way. I partnered with the International Commission and had the opportunity to preach in four different churches as well as walking the streets of Manila and witnessing for Christ. The results of the Crusade were that 4,709 people came to know Jesus as their Lord and Savior. I just want to say that I appreciate your prayers and the contributions that helped make this project possible. On the back of this page are some images of the Lord's work in the Philippines. PRAISE THE LORD!!!

### WORLD WIDE BIBLE PROJECT

Everywhere I have the opportunity to go I find a problem that the Lord has laid on my heart. Most people in the countries that I go to preach do not have Bibles. Last year we bought Bibles for the Cambodians in their language and handed them out. When I was in Uganda, last January, we did the same thing. However, "everywhere" I go the problem is the same...people need Bibles in "their own language". I have therefore decided to start a special project to see to it that everywhere I go the people get Bibles in their own language. Usually, I am able to purchase the Bibles from the Bible Society in each country. That helps save the shipping charges. In America we can usually pick up a Bible or a New Testament very cheap, however, the average cost is about \$6.00 each in other countries.
